4. Admission criteria, academic requirements, and other admission requirements will be subject to the applicable Catalog at the time of the students' admission. Students who have begun their SNHU program of study or students in the process of enrolling prior to the effective date of any without cause termination will be grandfathered in to continue receiving the discount offered in this Agreement until such time such students complete or discontinue enrollment in their program.
5. SNHU admissions policy requiring third party evaluation for international students will be waived.
6. Transferability of third party course work will be evaluated on a case by case basis.
7. This Articulation Agreement is based on the current curriculum of both educational institutions. Each institution is responsible for notifying the other of any substantive changes to the curriculum. This agreement shall be reviewed by both institutions annually.
