

ICT Educator Webinar Series

Cloud Curriculum Pathways: Updates and Coming Attractions in the Bay Region

Webinar Chat Q&A – October 9, 2020

What is the C-ID ITIS descriptor alignment for CompTIA Cloud+?

- ITIS 170 and/or ITIS 172

Are the Foothill courses 16 weeks? Did they get a certificate or a certification?

- Foothill Classes are 12 weeks (except for summer which is 6 weeks).
- The Foothill program is a certificate. The AWS Professional Certifications will be taught beginning in Summer 2021.

Colleges with AWS Academy, AWS Educate (only those mentioned in chat):

- Santa Monica College has adopted AWS Academy courses for the foundations and compute courses.
- Moorpark College is using AWS Academy also for Foundations and Architect AWS courses.
- Riverside City College is an AWS Academy and has a state approved cloud certificate that includes AWS Foundations and Architect courses.
- Las Positas College has integrated AWS Educate into the four core AWS courses; AWS Academy classes are separate.
- Foothill College – AWS Educate materials available to students who can take those on their own initiative.
